

Floor Mounted Units (Concealed Type)

FEATURES

- Cooling & Heating
- Environmentally friendly refrigerant
- Quick, easy installation
- Washable air filter
- Easy to use remote control
- Quiet operation

Uncased Floor Mounted Units are a convenient solution if the aesthetics of a room are a key consideration. Units can be enclosed in a bespoke decorative surround to complement the interior of any room and are installed quickly and easily.

Available in cooling only or heat pump versions, operated by hard wired remote control which can be located anywhere within the room enabling complete temperature, fan speed and operating mode adjustment.
